

Revised August 2015  
Massachusetts Music Educators Association  
**Viola Scales**

**$\downarrow = 80$**

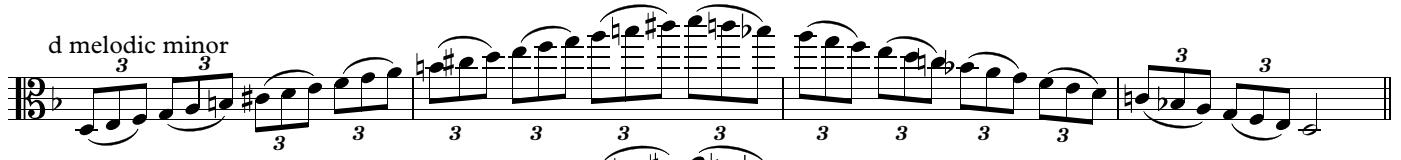

The sheet music consists of 13 staves, each representing a different major key. The keys are listed vertically on the left side of each staff: C Major, F Major, B♭ Major, E♭ Major, A♭ Major, D♭ Major, F♯ Major, B Major, E Major, A Major, D Major, and G Major. Each staff is in common time (indicated by a '4' in the top right corner) and has a viola clef (indicated by a '3' in the top left corner). The music is composed of eighth-note patterns. In each staff, there are six measures of eighth-note pairs connected by slurs, followed by a measure of eighth-note triplets (indicated by a '3' over the notes), and then another measure of eighth-note pairs connected by slurs. The notes are primarily on the A, D, and G strings of the viola.
